3. In the reference 2nd read above, the Director of Mines & Geology, Hyderabad has stated and proposed among others that in view of the bifurcation of the State, there is a need to constitute Telangana State Coordination-cum-Empowered Committee (SEC) including the representatives from Ministry of Steel, Shipping, Railways, Revenue (Customs) and Fertilizers besides the Geological Survey of India and Indian Bureau of Mines, duly considering the re-constitution aspects with the following terms of reference:

1. To coordinate actions of the Central Ministries/Departments and the State Governments on important matters relating to mineral development and regulation including matters arising out of the National Mineral Policy, 2008 and the legislation governing mineral development.
2. To review the status of mineral concession applications, letters of intent and renewal applications pending and suggest corrective measures for expediting their disposal as per Rules.

[P.T.O.]

3. To improve e-governance system including computerized processing, data management and dissemination and mining tenements.
4. To coordinate Departmental clearances through follow up action with the individual Departments/Ministries and ensure timely completion of internal procedures and prompt disposal of mineral concessions proposals.
5. Development, implementation and evaluation of sustainable development framework and
6. Coordination and review of steps for prevention and detection of illegal mining.

4. The Government, after careful examination of the matter hereby constitute the Telangana State Coordination-cum-Empowered Committee (SEC) for Telangana State with the following Officers to monitor the issues referred to at para-3 above, with immediate effect.
